### Elevator Pitch

---

RESICOIN.APP, is a web application that encourages people to recycle because we give RESICOINS for everyone who give the residue in the right way then those RESICOIN can be change in we ECOTIENDA o MARKETPLACE where the people can find merchants that wants to offer goods or services and the people can pay all of this with the RESICOINS and the web application will pay in money to the merchants. So we all can use de residue as a resource.
