Livré · Clean Industry

Livré

Country: Colombia · Cartagena, Bolivar **Category:** Clean Industry **Impact Areas:** Circular Economy **Stage:** Launched **Website:** https://linktr.ee/livre_col **Founder:** Juan Felipe Péez Jiménez

Elevator Pitch

Livré will reshape the future of packaging. Single use is broken, we all know that. The best answer? reuse. Livré is a reuse system for packaging that is eager to stablish circular systems by offering consulting, alliances and the operation of the system itself. We will support Colombian companies to follow "Resolución 1407 del 2018"
