Elevator Pitch

Vox its a tour operator in Buga Valle, Colombia, we provide electric scooters for city tours to tour guides.

Climate Problem

Unemployment for low income young disabled people.

Solution

Provide an exclusive delivery network (offices and restaurants) also providing a low rental daily basis adapted electric scooters to their wheelchair.

Revenue Model

Renting the electric scooters on a daily basis. They rent an adapted scooter using their own wheelchair and we provide the scooter, the maintenance, the insurance and the job, all in one, its a win win

Target Market

Young disabled people, Offices, restaurants, tourism

Social Impact

People of African Descent Indigenous Peoples Roma, Sinti and Travelers Persons Belonging to National or Ethnic, Religious and Linguistic Minorities Migrants Refugees, Asylum-seekers, and Internally Displaced People People Living in Extreme Poverty Women LGBTQI+ People

Demand Evidence

Lack of opportunities for disabled people

Competitors

Regular delivery companies but not working with disabled people, therefore not a single competition on that area.

Founder Expertise

I'm a business administrator, with over 20 years of experience, I already have a company that provides electric scooters for tourism purposes, with experience creating proyects of clean alternative electric energy.

External Support

So far no external support received.

Team

1 business administrator (CEO) 1 electric technician 1 sales person

Founder

John Acosta
