Zircular is like a Netflix subscription for the Energy Transition in industries companies

Country: Colombia · New York **Category:** Efficiency **Impact Areas:** Circular Economy **Stage:** Launched
Website: https://zioning.com **Founder:** David Lagarejo

Elevator Pitch

Zircular is an annual subscription platform that helps companies make a sustainable and intelligent energy transition through real-time prediction of energy savings potential. The platform monitors energy consumption and through the reports it analyzes and creates the path of energy improvements that simplify investment decision-making, shows the potential savings and the CO2 not emitted (using AI). The platform will seek to recognize the efforts in environmental sustainability in the path of en
